

R&R Drafting

Note: I do not offer Architectural / Engineered Stamped plans. If you need stamped plans you will have to contact local Engineer to add any necessary detailed drawings to plans & to Stamped or Certify the Drawing Plans.

Typically Roof/Floor Truss, Beam Suppliers/Manufactures will supply Engineered Stamped product & layout plans for their products.
P.S. Most Area's do not require Architectural Stamped plans, check with local building department for requirements.

Plan Ownership:
After plans are complete, Both parties will own & be free to reproduce and or sell plans.
